### GROWTH PATHS:

#### Culture

Identify what culture means and create a plan so your culture values stick.

#### Communication

Add clarity as to why team members don't add input or avoid difficult conversations.

#### Board Effectiveness

Create an environment where the Board and CEO are approaching the organization with the right strategic direction as a united team, supporting each other and driving the vision.

#### Personal Brand

Growing your personal brand takes a deliberate action plan and a coach to help identify your blind spots.

### TAKE ACTION:

**No matter the size or structure of your team, we can customize the path you take. Both virtual and in-person options are available.**

- Coaching
- Consulting
- Training
- Workshops
- Speaking

*Inspiring you, as a leader, to...*

- Reach your maximum potential in a trust-filled environment
- Build a credible personal brand
- Leverage communication through change to lead effectively

*...while courageously exploring the effectiveness and heart of your leadership.*
